

Chamber Connections Workshop Registration Form

The Mena/Polk County Chamber of Commerce will present a series of workshops in 2024 that will provide educational insight into how to run your business, non-profit, etc., in the most efficient and profitable way possible. Some of these classes will be taught by Chamber staff, while others will be taught by industry leaders from across the state. Our first two classes, Canva and Digital Marketing, will be offered twice in hopes that if one date doesn't work for your schedule, the other will. We hope you will take advantage of these classes that are FREE to Chamber members. Non-Chamber members will be required to pay a \$10 registration fee for each class. *A 3.5% fee will be added to debit/credit card transactions.
